

VOTE NOVEMBER 4, 2008

Schoenberger, Sweifach, Lynn Democrats for Town Council

As pictured: Daniel Lynn, Howard Schoenberger, Jay Sweifach

Honesty, Openness, Integrity

Howard Jay and Dan believe that the Town Council's job is to listen to the will of the people. We plan to do just that!

Town Council incumbents have repeatedly demonstrated why they should **NOT** be re-elected.

Pool Bond Referendum

- They wasted over \$30,000 in Taxpayer money trying to prevent **YOUR** right to vote.
- They ignored a formal petition of over a thousand people, **not once but twice!**
- They took legal action against **YOUR** neighbors.
- They dragged the process out costing **YOU** Thousands of \$\$\$\$ for a special election.

We believe that the Town Council has a responsibility to make decisions on the basis of what is the best for Randolph residents, not based on partisan political considerations.

Our team is committed to a local government open to multiple opinions & points of view, so that **everyone** can be a part of the process.

Volunteerism and community service are vital and should be encouraged in Randolph. Participating on a board or committee should not depend on what party you belong to or who you contribute money to or how "connected" you are to the leadership. Have **YOU** felt excluded? **We** will personally contact every resident who expresses an interest in participating on committees. The current Town Council has been **reluctant** to do this.

Honesty, Openness, Integrity

We propose that Town Council meetings be filmed and made available to you live on the internet; providing **YOU** with opportunities to express **YOUR** point of view. Whether you are traveling on business, busy with children or just have trouble driving at night, Internet broadcasting will bring meetings to you. The current Town Council has **OPPOSED** this idea.

Honesty, Openness, Integrity

Have you been degraded or ridiculed when speaking at Town Council Meetings, or have **YOU** felt ignored by current representatives? **WE** will listen to **YOUR** opinions and provide honest and open feedback.

YOU DESERVE BETTER !!!

You deserve to know why the incumbents oppose all ideas of inclusion and openness, preferring to keep **YOU** in the dark. It's certainly easier to ignore and exclude and more importantly...**WHAT ARE THEY TRYING TO HIDE?**

**Schoenberger, Sweifach & Lynn believe:
Community Participation = Better Government!**

On November 4th, vote for **Honesty, Openness, and Integrity**. Three values which will direct our efforts and actions.

Vote Schoenberger, Sweifach & Lynn.
